

St. Elizabeth Elementary School Health and Safety Plan,
August, 2020

Dear Parents and Guardians,

Below you will find the St. Elizabeth Elementary School's Health and Safety Plan that was initially created by the Diocese of Pittsburgh and then tailored to our school's individual needs, with the input of many of our teachers.

Within this document, you will find the following information:

- Preamble: Caring for Body and Soul
- Key Strategies, Policies and Procedures: 1. Cleaning, Sanitizing, Disinfecting, and Ventilation; 2. Social Distancing and Other Safety Protocols; 3. Monitoring Student and Staff Health
- Health and Safety Plan for Professional Development
- Health and Safety Plan for Communications

Over the next two weeks, I will be meeting with the parents and guardians of our students per grade level via Zoom to answer any questions. Furthermore, our staff will be providing Google Classroom training to our parents and guardians. A schedule will be forthcoming.

I pray that, for the remainder of the Summer, you stay healthy, safe and be at peace.

God Bless,

Mrs. Krueger
